Any doubt about this question call 8515823123 between 10 a.m. to 6 p.m.

When the arrangement is given in a circle, then there is a chance of mistake regarding left & right. So, we have to consider ourself at the point of starting. Then think about your left & right. So, there will be no mistake.

If we start to solve the problem from left towards the downward, that will be more easier.
